WORKSHOP

Harmful Algal Blooms

Tentative Schedule

Oregon Coast Community College

3788 SE High School Drive, Lincoln City, Oregon 97367

April 19, 2014

10 am – 12 pm

The purpose of this workshop is to gain a better understanding on Harmful Algal Blooms in Devils Lake and the tools available to help minimize their occurrence. Presentations are meant to better inform the Board and other lake stakeholders and to provide guidance to future decision making. Workshops are not designed for the Board to take official actions, but direction to staff may be provided.

10:00	Update on the Harmful Algal Bloom --- Paul Robertson, DLWID
10:05	History of the Lake --- Paul Robertson, DLWID
