## Save our Shoreline and Water Monitoring

Committee Update – No Update

## ACTION ITEMS

Boy Scouts Water Gardens Projects

New Shoreline Restoration Projects

Plant Sale

# District Projects and Operations

## Communications Report

Quarterly newsletter

Lake vegetation outreach efforts

Social Media Activity

Emergency Planning

## Devils Lake Conservation/Aeration Project

Awaiting date from contractor for System annual maintenance, anticipated work to be completed by mid summer.

## Devils Lake Aquatic Vegetation Management

Milfoil management update: Parrot Feather has been identified in the lower parts of the lake this year. Particularly in the slower moving water areas such as the canals near the D River. The D River area continues to have the highest concentration of nuisance and invasive plant species. Staff is currently working with SePro/Aquatechnex for a second treatment of the targeted species. Last year's treatment was highly effective in removing the nuisance plant without fish and wildlife detriments and native shoreline plant habitats are flourishing in those areas. A summary of last years treatment is posted on [www.dlwid.org](http://www.dlwid.org) as well as our social media outlets.

### ACTION ITEM

Grass Carp Regulations (No update)

### Airstream Pro Shoreline Aerator

DLWID plans to evaluate re-deployment once office is relocated

## Devils Lake Flood Protection

No update, currently awaiting regulatory review.

### ACTION ITEMS

No update

## Water Quality Briefing

No change from last month. Dissolved Oxygen levels are very healthy at over 95% on the lake bottom lakewide with no problematic algal growth at this time. E Coli sampling has begun. Results will be posted weekly throughout the summer on [www.dlwid.org](http://www.dlwid.org). The first sampling indicates decreased E coli levels vs. previous years. The EXO water monitoring equipment has been maintained and professionally calibrated by the manufacturer and will continue its deployment in Devils Lake for the 2021 sampling period.

## **New Business**

### **ACTION ITEMS**

Public poll regarding Districts resources and responsibilities

DLWID Relocation

## **Non-Agenda Items**

### **ACTION ITEMS**

**None**
